

LEWISTON GOLF & COUNTRY CLUB

April 2006

BOARD BRIEFS

Lewiston Golf and Country Club members, the first thing I would like to mention is that we have finalized the new property line between #10 and #11 fairways and "The Block Group" subdivisions. John Block was very easy to work with on this matter and it is very favorable for the club.

The second thing I would like to mention is that Mike Welling & Co. and the grounds crew have completed the cart shed removal project and all we have to do now is watch the grass grow! Thank you very much to all the members that donated time and money to this project. It is going to be so nice to sit outside after a round of golf, settle bets, have a drink or two and enjoy watching our friends complete their round of golf. The view from this new area is awesome and will compliment our bar and restaurant nicely.

The last thing I would like to mention is that now is the perfect time to come out and enjoy all that the LG&CC has to offer. See you there!

PJM

JOEY'S PRO REPORT

Spring is Officially Here!

Dust off those golf clubs, do your proper stretching, and too it up at the Lewiston Golf and CC. Spring is officially here, and the golf course looks great! The inch of rain that we just had really helped green things up. As many of you are aware, we are very busy this time of year, so please make a tee time. We will always do our best to try and accommodate everyone, but a tee time will help ensure orderly play for all members.

Ladies' Clinics

This Spring, Lewiston CC will again be offering Ladies Clinics to all ladies that want to participate. The program runs for three weeks, beginning on April 11th, and then continuing April 15th, and 22nd. It is open to ALL ladies, and will be limited to the first 15 that sign up. The cost is \$10.00 per session, so anyone interested can phone the golf shop for details.

IEPGA Pro-Ams

The first two events of the year are in the Valley, with Lewiston CC hosting the very first Pro-am on April 3rd, followed by Clarkston CC on April 4th. All pro-am teams consist of a golf professional and four amateurs. The entry fee is \$35.00, and you can contact the Golf Shop for more details and for qualifying dates. There will be one Ladies Pro-Am this season, and it is scheduled for July 17th at Wandermere GC. The format and entry fee are the same, and you can contact the Golf shop for more information and qualifying dates.

League Play

Lewiston CC has various leagues for golfers of all abilities. League play begins on April 5th for Men's Twilight League, May 9th for Ladies Twilight League, and May 12th for Friday Night Couples League.

Men's Twilight League is held every Wednesday night from April 5th through June 21st at 5:45 PM. There is still time left to register your team. Sponsorship fees are \$75.00, and there is a variety of ways teams can win. A weekly KP contest brings some competition to the matches, and a final KP shootout pays over \$500 in cash!

Ladies Twilight league is held every Tuesday night at 5:45 PM from May 9th through June 27th. These ladies have a lot of fun, and you can contact Mary Barker or Marge Eisele for information on joining.

Our Friday Night Fights couples' league begins May 12th and runs through July 21st. This league runs every Friday night at 5:45 PM. Couples' league encourages spouses and good friends to play with each other and join other couples for an exciting Chapman format. Registration for couples, substitutes, and sponsors will begin soon, so call the Golf Shop for questions, and details.

Upcoming Events
